

### GENERAL TEAM INFORMATION

The POG competitive team is mainly comprised of four levels: Pre-Junior, Junior, Intermediate and Senior. Placement into these levels depends on age and ability and is at the discretion of the directors.

Each level has a predetermined program of classes that a student must take. These classes run on weekday evenings. Choreography and rehearsal of competitive routines is done outside of class time on Tuesday evenings and Saturdays. The weekly choreography schedule will be emailed to you and posted on the bulletin board. A program will be determined on a case-by-case basis for students ONLY competing in Tap, Step or Hip Hop.

Letters outlining the routines each student has been chosen for will be emailed in the fall. Students and parents acknowledge the fact that the directors have taken considerable time in putting these lists together and have done so in the best interest of each student.

The competitive team will attend 3-4 competitions in the spring (local & possibly out of town). Outside of regular classes there will be other mandatory events. This includes, but is not limited to, Summer Classes, Summer Intensive Week, Ballet Exams and Conventions.

Being a part of any competitive team means a commitment and dedication from both parent and student beyond that of the recreational level. It is understood that students will make competitive dance at POG their primary extracurricular activity.

### COMPETITIVE TEAM AUDITION SCHEDULE
