

## POG Competitive Team Auditions 2018

**\*\*Important information regarding auditions. Please read carefully.\*\***

Dancers are to come to their specified age group (based on their age as of **Dec 31st 2018**). Returning POG team members if you have questions about which level you should attend please send an email to confirm.

Dancers are to bring a full length photo of themselves wearing appropriate dance attire (ex. bodysuit & tights/dance pants, street wear-hip hop only). This is for NEW candidates only. Returning team members do not require a photo.

Audition fee is \$20/dancer, cash only. Audition fee is only payable once, regardless of how many disciplines you are auditioning for.

Please arrive at least 20 min before the start of your audition to register and fill out paperwork. You will be given a number to wear during your audition.

Candidates only interested in the **Part Time** Competitive Program will just attend the Part Time auditions (see PT). If unsure we suggest coming to both the Full time (see FT) and PT audition classes. On your form you can check off 'interested in either PT or FT programs'. Cost is still only \$20 even if attending both levels of auditions.

Dancers should wear/bring all appropriate footwear and dance wear for each discipline. Hair should be pulled back off face in a bun or ponytail. Black dance attire is preferred. Please do not wear jewelry. Water bottles may be brought into the studio.

The audition will run very much like a class with an instructor leading the group through a warm-up, various steps across the room, barre work etc. There will be a short combo taught in each discipline and the dancers perform it in small groups. The auditions are viewed by the directors of the studio and are video taped as well. Dancers are not required to prepare anything in advance of the audition. Please note auditions are broken out by age and discipline. Lyrical/Contemporary & Musical Theatre will be assessed during the Jazz/Ballet time slots. Schedules for all levels are listed below:
